CONRAD JULIO M. TAGUINOD

INFORMATION TECHNOLOGY STUDENT

conradtaguinod05@gmail.com | 09552639238

PROFESSIONAL SUMMARY

Driven Information Technology student at Northeastern College specializing in computer systems servicing, network configuration, server administration, and modern web fundamentals. Demonstrates a practical foundation built through hands-on technical training, Cisco Packet Tracer simulations, freeCodeCamp modules, and DICT cybersecurity initiatives. Eager to bring technical knowledge, analytical problem-solving, and a strong work ethic to an IT internship or entry-level role.

EDUCATION

Bachelor of Science in Information Technology

Northeastern College | Santiago City, Isabela

TECHNICAL SKILLS

Computer systems Installation, configuration, troubleshooting, and maintenance fundamentals
Networking Basic network setup; Cisco Packet Tracer
Servers Foundational server setup and configuration
Web and programming CSS fundamentals, HTML/CSS web layout, introductory C#
Digital tools Google Workspace, freeCodeCamp curriculum, Power BI fundamentals
Cybersecurity Basic digital safety, threat awareness, and cyber hygiene

TRAINING & CONTINUOUS LEARNING

CERTIFICATES, COURSEWORK, AND DIGITAL SKILLS ACTIVITIES

COMPUTER SYSTEMS AND NETWORKING | TESDA ONLINE PROGRAM

- Introduction to Computer Systems Servicing - September 2026
- Installing and Configuring Computer Systems - September 2026
- Setting Up Computer Networks - September 2026
- Setting Up Computer Servers - September 2026
- Maintaining Computer Systems and Networks - September 2026

NETWORKING AND WEB DEVELOPMENT

- Getting Started with Cisco Packet Tracer - Cisco Networking Academy, September 2026
- CSS Essentials - Cisco Networking Academy, October 2026

FREECODECAMP

- Responsive Web Design Certification - October 2026
- JavaScript Algorithms and Data Structures - October 2026
- Front End Development Libraries - October 2026
- Data Analysis with Python - October 2026

WEBINARS AND DIGITAL SKILLS ACTIVITIES

- Digital Trust in the AI Era: Detecting Deepfakes and Strengthening Cybersecurity - DICT Region IV-A, July 2026
- Build Back Better: Practical Implementation (National Disaster Resilience Month webinar) - DICT Region IV-A, July 2026
- Don't Get Hacked: Detect, Defend, and Secure Your Digital Life - DICT Region V, August 2026
- Being a Hobbyist Game Dev in the Modern Era, under Press Start: Game Development in Region VIII - DICT Region VIII, August 2026

ADDITIONAL LEARNING

Committed to continuous professional development across computer troubleshooting, network administration, cybersecurity frameworks, and emerging software technologies. Adaptable learner equipped to follow technical documentation and quickly master new enterprise systems.
